## A Scientific Study

Description: A child confronts their family after being ignored for two weeks.

Genre: Comedic

No one says good morning to me. I did an experiment for two weeks straight by not uttering a single word to any of you first. My hypothesis was proven correct. I am not spoken to unless I speak first. This is not a cry for help nor an..."Oh please, Mother! Your ignorance has driven me to my breaking point!" No. This was simply a scientific study. It's fascinating how my own family managed to ignore my existence for fourteen days. I wasn't asked to do any chores, or finish my homework, and I didn't have to attend Uncle Wyatt's funeral. RIP Uncle Wyatt: if only you had seen that bird headed straight for your jugular. Anywho, being invisible actually benefited me. I'm so glad none of you care for me because then I would actually have to care for you guys, too. And that's a lot of work on my part. But, good morning! Have a good day at work! Don't think about me too much!

## Misunderstandings of a Villain

Description: A villain tries to persuade you that they are the good guy.

Genre: Comedic

Sorry about the whole blindfolding and kidnapping thing. Here, let me just take this blindfold off...there you go! Welcome to my secret lair! Pretty cool, right? *(sigh)* Could you stop yelling for help so much? You're hurting my ears. I promise you I am not a bad guy... here. I only kidnapped you because you knew my secret identity. What else was I supposed to do? Let you tell everyone who I really am? No way. *(beat)* What was that? The 'heroes' will save you? They're not heroes. They're the bad guys! *(beat)* Stop saying I'm the bad guy! I do tons of great things. I have a family...yes, it's an evil crime family, but I also have a pet cat! What villain has a cat? *(beat)* No, I do not stroke it with one hand while laughing madly. What can I say to convince you I'm not a bad guy? I do community service...which by community service, I mean, committing crimes for my community. I also help elderly get up when they fall down...after I push them. Okay, I can see why you might think I'm a villain, but I swear on my cat that I'm not! Oh shoot, the alarm is going off! Probably some so-called heroes here to rescue you. Don't you dare move a muscle. I'll be right back.

## Half Birthday

Description: A girl begs her parents for a special doll.

Genre: Comedic

Why can't I have the doll? It's my half birthday! I deserve it 100%. But I really want the 2022 Barbie girl doll! And there are only ten left in the whole world! What can I do to convince you to buy it for me? Okay, hear me out. So, I was

thinking that I could do the dishes! And even dry them! I can't reach the sink though, ummm, how about... I can make you BOTH, breakfast in bed for a full week! No?! Then a whole month! That's the most I can do! Never mind, I don't know how to cook... Ok then, I could give you five dollars from MY piggy bank, to help pay for the doll. Excuse me?! 100 dollars? That's impossible! Last time I checked, it was ten dollars. But I may have read the number wrong... Fine then if you're not gonna buy it for me, I guess I will have to buy it for myself! I am going to go pack my stuff, get a job, and move out! GOODBYE!!! (*Starts to leave, but returns.*) I'm sorry. I get it. I should be grateful for what I have. But could I HAVE IT, by any chance? Please!

# What Are You So Afraid Of?

First Place Winner

By: Trinity Marmo, Age 14, Washington, USA

Description: No one can convince this child to get on the boat. The ocean is a scary place and a child's imagination is even scarier.

Genre: Comedic

I can't swim and you want me to go on a boat in the MIDDLE of the ocean. I would rather stay here on the docks, thank you very much. (*Referencing stuffed rabbit*) Mrs. Bunny says I can't go, and you know nothing will change her mind. She's scared of the ocean and her stuffing could get wet! (*Not convincing, they turn to new tactics.*) Please, don't make me go! What if I fall in, what happens then? The ocean is so unpredictable. What if a shark bites my head off? Or some crazy sea monster grabs my legs and pulls me down. Have you seen the creepy stuff that's down there? Not even scuba gear can save us from the horrors of the ocean! Frankly, I don't know how YOU aren't scared of the ocean. There are so many things to be afraid of. (*Dramatically sets the scene*) Seriously just imagine it, a storm suddenly hits, the air grows cold, and the sky darkens. You feel yourself panic, the waves getting bigger and bigger! You look to your left and a gigantic wave is coming towards you! See doesn't that sound scary to you? Well, I know it's a sunny day, but it could still happen! Please don't make me go on that boat!

# I Don't Like Chocolate

Description: When you think you don't like chocolate, but then you try it.

Genre: Comedic

I don't like chocolate. There, I said it. I don't like chocolate and there is nothing you can do to make me think otherwise. What good is chocolate anyway? It only comes in like two flavors! You also can't keep it in your pocket. It'll just melt! That gooey melted-ness along with the color is just... And in case you're wondering why I would need to put chocolate in my pocket, it would obviously be so I could eat it at school! And I am no barbarian. I follow the rules of being a kid and remember to eat my candy BEFORE my food. And another thing, chocolate is

poisonous to dogs! I have three dogs, so if I accidentally left chocolate just laying around then my dogs might EAT IT. (*React to the thought of what could happen to dogs.*) Have I tried it, you ask? No, I have not. I have not, and will not, ever try chocolate. Not even if you pay me five bucks to do it. Or ten. Maybe fifteen. Fine, I will eat this chocolate bar for 20 bucks. (*Eats the chocolate*) That... WAS THE GREATEST THING EVER! Give me more please!

## MS. NORBURY SIDES: From Mean Girls

Ms. Norbury: Everyone close your eyes. Okay, uh, raise your hand if you've ever had a girl say something bad about you behind your back. (All girls raise hands) Open your eyes. (Girls react) Now close your eyes again and this time, raise your hand if you've ever talked about a friend behind her back. (All girls slowly raise hands) Open your eyes. (Girls chuckle nervously) How 'bout that. Maybe we should take a quick break from being "victims in this situation" and take responsibility for our own actions. (Ms. Norbury grabs a stack of the copied Burn Book pages and tears them into scraps) Everybody take a piece of paper. Line up over here. Let's go. We're going to write out some apologies to people we've hurt in our lives. 'Cause one thing I know for sure, guys, is that calling someone ugly doesn't make you better looking. Calling someone stupid won't make you

any smarter. And we have to stop beating each other up over every little thing. We, as females, have to be able to trust and support each other.
