CADY

A new junior at North Shore High School, Cady grew up in Africa and was homeschooled by her wildlife biologist parents. She is warm, bright, and strong enough to take on The Plastics. Is the emotional heart of our story.

- “I See Stars”- *Mean Girls*
- “Like Other Girls” - *Daddy Long Legs*
- “One Perfect Moment” - *Bring It On*
- “Parents Lie” - *Freaky Friday*

REGINA

Regina is the Queen Bee of the Plastics. When she shines her light on you, you feel like the most important person in the world. When that light goes cold, you want to die. She is regal, still, and “hot”, but at her most vulnerable moments, she is just a kid in over her head.

SCENES

JANIS SIDES: Monologue

JANIS: Okay, sure. I have an apology. So, I have this friend who is a new student this year, and I convinced her that it'd be fun to mess up Regina George's life. So we gave her

these candy bar things to make her gain weight. And we turned her best friends against her. Oh and then Cady - you know my friend Cady? She got Regina's boyfriend to dump her. But then my friend Cady turned out to be just as phony and selfish as Regina George. So my apology is to myself. 'Cause I should have known better.

DAMIAN SIDES:

Damian: *(includes lines from Janis, Dawn, Grace, Lizzie, Rachel & Caitlyn)*

Okay, this is probably a good time for us to talk about the power of Social Media. Now, we all know that harsh Internet comments are “hurtful” and “cause pain.” But what everyone forgets is that positive Internet comments are worse. 'Cause they create a false sense of love and admiration, and they are more addictive than Girl Scout Thin Mints. For example: (The following are examples)

- OMG. Cady was the only one who kept dancing!
- Cady looked cute. Those other three were like my SAT words—hard, boring, and I already forgot them.
- That Cady girl's authentic but not in a fake way.
- Her Instagram is just pictures of lions and no selfies. She has goals.
- Cady Heron is, like, effortlessly perfect. I would punch myself in the face to be that perfect.

CADY SCRIPT: Please read for Cady only

KEVIN G (pointing to **CAROLINE KRAFFT**) We pick her!

ATHLETES MODERATOR Ms. Krafft and Ms. Heron, please step forward.
(**CAROLINE** and **CADY** move center.) Contestants find the limit of this equation.

(An equation appears on the screen. **CAROLINE** works it out on paper. **CADY** babbles nervously to herself.)

CADY: Why can't I remember anything about limits? All I can think about is the fact that Aaron's here and I'm worried you might be cuter than me, because you have a really nice nose. Even though I think my eyes are better, your earrings look more expensive- Why am I even thinking about that?! This is not a competition.

KEVIN G: It kind of is, though.

CADY: Right, a math one.

(**CAROLINE KRAFFT** rings in.)

CAROLINE KRAFFT The limit is negative!

(**CADY** deflates for a second then...)

ATHLETES MODERATOR: That answer is incorrect. If Ms. Heron can answer correctly, we

have a winner

CADY: (out loud to herself) Okay. Ms. Norbury is right. Calling someone ugly won't make me any prettier. Calling someone dumb won't make me any smarter.

CAROLINE KRAFFT: (offended) Are you talking about me?

CADY: No! Sorry. I'm just..... learning a lesson out loud. If I can just focus on the absolute value of x divided by x - (**CADY** answers the question.) The limit does not exist!

REGINA SCRIPT: Please read for the role of Regina ONLY

REGINA: Wait. Why don't I know you?

CADY: I don't know. I'm new here. I used to be home-schooled.

REGINA: Wait, what?

CADY: I just moved here from Africa.

REGINA: Shut up! Shut up

CADY: I didn't say anything.

REGINA: You're like, really pretty.

CADY: Thanks.

REGINA: So you agree? You think you're really pretty?

CADY: Oh, I don't know...

REGINA: I love your bracelet. Where did you get it?

CADY: My mom made it.

REGINA: Wow. You're really gonna get noticed around here. We should help you. We never really do this, but how'd you like to have lunch with us this week?

CADY: Oh, it's okay

REGINA: No No need for you to thank us.

CADY: But

REGINA: There's no need to even speak.

KAREN SIDES: Please read for Karen only

Karen & Cady (Text conversation)

KAREN: Dear Cady, angry cat emoji. Poop emoji. Scream face emoji! Send.

CADY: Hey. R U mad at me?

KAREN: Not mad anymore. Thank you for letting me vent. I like to express myself through emojis because I'm stupid.

CADY: You're not stupid, Karen.

KAREN: No, I am! I'm failing everything-- sometimes I think the only thing I understand is the "Rule of Twos."

CADY: The "Rule of Twos"? Is that a math thing?

KAREN: Haha, bikini emoji, no! The "Rule of Twos" is how everything is really two things. Like how you were tricking us but you also still had fun with us. And how when Regina was mean to me, it's because she was unhappy with herself.

CADY: That's really smart, Karen.

KAREN: And how getting suspended actually made it easier 'cause you could just hide from everybody. And when you come back tomorrow it's gonna be so much worse! So I'll still be your friend.

CADY: Thanks, Karen.

KAREN: Thumbs up!

GRETCHEN SIDES: Monologue

Gretchen: Okay. Well, if you and Regina are “best friends” now, you can be in charge of keeping all her secrets. For example, she’s not really blonde. Her natural color is dark blonde. Also she totally cheats on Aaron. Every Thursday she says she has SAT Prep, but really she’s hooking up with Shane Oman. And I never told anyone because I’m such a good friend.

AARON SIDES: Read for the role of Aaron only

AARON: Hey! You made it! I like your costume. It’s different from everybody else.

CADY: I didn’t know I was supposed to look— ugh, I’m such a weird foreign loser!

AARON: No, everyone feels like that when they’re the new kid. I only moved here like two years ago. Well, that’s not really true. I didn’t actually move here. My mom lies about our address so that I can be in the North Shore school district. Please don’t tell anyone that!

CADY: No! Of course!

AARON: How’d you do on that pop quiz today? ’Cause I got an eighty-five.

CADY: I got a hundred— (CADY wonders if she should tell the truth.)—things wrong. I think I need extra help.

AARON: I could tutor you if you ever want—

CADY: Thank you, that would be great.

AARON: Okay then, it’s a deal. Let me get you a drink. Wait right here.

MS. NORBURY SIDES: Monologue *Ensemble Please Read

Ms. Norbury: Everyone close your eyes. Okay, uh, raise your hand if you’ve ever had a girl say something bad about you behind your back. (All girls raise hands) Open your eyes. (Girls react) Now close your eyes again and this time, raise your hand if you’ve ever talked about a friend behind her back. (All girls slowly raise hands) Open your eyes.

(Girls chuckle nervously) How 'bout that. Maybe we should take a quick break from being "victims in this situation" and take responsibility for our own actions. (Ms. Norbury grabs a stack of the copied Burn Book pages and tears them into scraps) Everybody take a piece of paper. Line up over here. Let's go. We're going to write out some apologies to people we've hurt in our lives. 'Cause one thing I know for sure, guys, is that calling someone ugly doesn't make you better looking. Calling someone stupid won't make you any smarter. And we have to stop beating each other up over every little thing. We, as females, have to be able to trust and support each other.
